

Villas

The design of the three bedroom villas is simple and uncluttered to achieve a clean contemporary look enhanced by the use of natural light and cross ventilation. Finishes will include granito floor tiles, ceramic wall tiles, timber framed windows and doors with terraces having a natural stone finish. The roof terrace will provide an additional private outdoor space with fantastic views onto the Indian Ocean.

Bungalows

The bungalows offer single storey two and three bedroom accommodation. The real charm of these detached units are the living areas and bedrooms that open onto large verandas with leafy and tranquil spaces for relaxation, as well as direct access to the gardens.

Apartments & Penthouses

The apartments and penthouses are situated on the most elevated part of the property allowing for unrestricted views of the ocean. The layout, design and orientation of the two and three bedroom apartments take full advantage of the views with large balconies, windows and sliding doors that also offer light and airy interiors.

Facilities & Management

To support the holiday home concept, facilities will include swimming pools, restaurant, bar, health club and business centre. A professional management company will deal with maintenance, hospitality services and rentals. In addition, the development will provide: staff accommodation, a borehole, a back-up generator, central TV satellite dishes, Internet connectivity and intercom connections between buildings.

Galu Beach

Water Sports: scuba diving, snorkelling, kite surfing, wind surfing, jet skiing and sailing. Other sporting activities: golf, sky diving, motor bike or bicycle rental. Marine excursions: boat trips to the coral reef, big game fishing from Shimoni, whale shark tagging, dolphin and sea turtle watching within the Kisite-Mpunguti Marine Reserve. Wildlife safaris: Shimba Hills, Tsavo, Taita Hills, Chyulu Hills and Amboseli.
